

"It's All Coming Back To Me Now" lyrics

Celine Dion Lyrics

"It's All Coming Back To Me Now"

There were nights when the wind was so cold
That my body froze in bed
If I just listened to it right outside the window

There were days when the sun was so cruel
That all the tears turned to dust
And I just knew my eyes were drying up forever

I finished crying in the instant that you left
And I can't remember where or when or how
And I banished every memory you and I had ever made

But when you touch me like this
And you hold me like that
I just have to admit
That it's all coming back to me
When I touch you like this
And I hold you like that
It's so hard to believe but
It's all coming back to me

It's all coming back, it's all coming back to me now

There were moments of gold
And there were flashes of light
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than any laws allow

Baby, baby

If I kiss you like this
And if you whisper like that
It was lost long ago
But it's all coming back to me
If you want me like this
And if you need me like that
It was dead long ago
But it's all coming back to me
It's so hard to resist
And it's all coming back to me
I can barely recall
But it's all coming back to me now
But it's all coming back

There were those empty threats and hollow lies
And whenever you tried to hurt me
I just hurt you even worse and so much deeper

There were hours that just went on for days
When alone at last we'd count up all the chances
That were lost to us forever

But you were history with the slamming of the door

And I made myself so strong again somehow
And I never wasted any of my time on you since then

But if I touch you like this
And if you kiss me like that
It was so long ago
But it's all coming back to me
If you touch me like this
And if I kiss you like that
It was gone with the wind
But it's all coming back to me

It's all coming back, it's all coming back to me now

There were moments of gold
And there were flashes of light
There were things we'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than all your laws allow

Baby, baby, baby

When you touch me like this
And when you hold me like that
It was gone with the wind
But it's all coming back to me
When you see me like this
And when I see you like that
Then we see what we want to see
All coming back to me
The flesh and the fantasies
All coming back to me
I can barely recall
But it's all coming back to me now

If you forgive me all this
If I forgive you all that
We forgive and forget
And it's all coming back to me
When you see me like this
And when I see you like that
We see just what we want to see
All coming back to me
The flesh and the fantasies
All coming back to me
I can barely recall but it's all coming back to me now

(It's all coming back to me now.)
And when you kiss me like this
(It's all coming back to me now.)
And when I touch you like that
(It's all coming back to me now.)
If you do it like this
(It's all coming back to me now.)
And if we...

This song was originally written by Jim Steinman for his play "Neverland", which was based on the Peter Pan story. In Steinman's play, the song is performed by a middle-aged Wendy when Peter Pan returns to her after 20 years.

According to Jim Steinman, the writer, these lyrics were inspired by the novel "Wuthering Heights" by Emily Bronte. Steinman compared the song to 'Heathcliff digging up Cathy's corpse and dancing with it in the cold moonlight'.

Girl group Pandora's Box recorded this track for their album "Original Sin" (1989).

Celine Dion's version of this song for her album "Falling into You" (1996) was produced by Jim Steinman.

The Miami Herald said about Celine Dion's performance of this track, *"Dion knocks a couple out of the ballpark... [the song] features seven minutes of Wagnerian bombast, thunderclap piano chords and emoting that would wither an opera diva. Sure, it's over-the-top but it's passionate and musical."*

The [music video](#) for the song was shot in Ploskovice, the summer palace of the Austrian Emperor in Czech Republic. The palace provided the exterior of the Gothic mansion.
